

Curbside Pickup Information with New Online Scheduling

You may request items for pickup by placing holds through the library's online catalog ([see instructions here](#)). If you cannot access the catalog, please either use the chat-a-librarian service available on our webpage, or call the library at 508-497-9777, between 10 am and 4:30 pm Monday-Friday for assistance.

You will receive an email notification or phone call when your items are ready for pickup. Please use our online pickup scheduling platform at <https://www.picktime.com/hplib>. If you don't have access to a computer you may call the circulation desk at 508-497-9777 to arrange a pickup time. Hold pickup slots are presently available weekdays from 10 am-4:30 pm. When you arrive, your items, labelled clearly with your name, will be placed on a table at the library's Church Street entrance for contactless pickup. Patrons should wear a mask and maintain a six-foot distance from others when picking up their materials. You may also return materials in the library's book drop while you are picking up new items.

If you miss your pick up slot, please call and reschedule for the next day. Items must be picked up within 3 business days. Items not picked up within that time will be checked in and re-shelved and/or sent back.
